## Coach's Corner

Stingrays,

I want to congratulate you all on such a fabulous season. Your work ethic and determination have resulted in tons and tons of time improvements. If the season were done today it would be a complete success and you should be proud of what you have accomplished. But, were are not done. The biggest meet of the season is coming up this Saturday... **DIVISIONALS!!!**

At Divisionals you are going to be swimming against, not just one team, but two of the best teams in the entire circuit – Georgetown and Brushy Creek. You are going to have the opportunity to swim against some of the best swimmers in central Texas. The good news is that a lot of those talented swimmers that are going to be swimming at Divisionals this weekend are on our team. The Stingrays will be a force to be reckoned with on Saturday. It will be so exciting to watch a swim meet where all of the swimmers are talented swimmers.

On Saturday the coaching staff and I will be setting you up in an environment where you are going to be able to swim faster than you have ever swam in your entire life. We are going to be putting you in the middle of 600 swimmers that are all excited to be swimming in such a fabulous swim meet. The environment is going to be electric! You will notice at practice this week that we are not going to be working as hard as we might of in the past. We are doing a little more thinking about our races and letting our muscles rest. This is going to give you a ton of power and explosiveness in your swimming on Saturday. I am so jealous, because you are going to feel **AMAZING** in the water. Sendero Springs is a great pool and the mighty Stingrays are going to put their best foot forward.

Your job the next couple of days is to eat right, rest, and mentally prepare for your races. I expect a lot of you all to earn some Invitational times on Saturday and come swim with the Stingrays at the University of Texas Swim Center. It just happens to be one of the fastest pools in the world. If you do earn one of those Invitational times on Saturday, make sure you come and tell me so we can celebrate and get you entered in the meet.

I am so proud to be able to call myself your coach. Keep up the great work and I will see you at the pool.

Coach Johnny

# Note from the Meet Director

We had a great home meet against the Cedar Park Typhoons and I want to thank all of the volunteers.

A special shout-out goes to the Friday night setup crew, and the grillers cooking in the heat to feed a big crew on Saturday.

We had many compliments from the Typhoon parents about how our team made it fun.

This weekend will be a huge meet at Sendero Springs with three large teams swimming and the last chance for kids to make Invitational's.

As usual we will all have to volunteer and help out wherever possible to make the meet run smooth and finish before sunset :-)

We will have a 6AM setup, 6:40 to 7:10 warm-up times heading towards a 7:45AM start.

Let's have a great meet and good luck to all of our swimmers.

Kevin

Just a friendly reminder that the swimmers tents are intended for swimmers and tent parents only. The tent parents don't mind if you pop in and out to check on your kiddos, but please do not set up in the swimmers tents.

There is not enough room. Thank you
